Nominations for ITsAP Green Company Award

2010

ITsAP Green Company of the Year - 2010

Objective: To recognize and encourage companies working on the Green Initiatives to protect the environment. The intent is not only to award the companies contributing maximum towards protecting and preserving our environment but also to accelerate the awareness amongst the industry and create a healthy competition towards this essential initiative.

The 'ITsAP Green Company of the Year Award':

Beginning this year, ITsAP is adding a new category of award into its well acclaimed Annual Awards – "ITsAP Green Company of the Year" Award. This will epitomize the various Green initiatives undertaken by the Industry throughout the period of consideration for the Annual Awards. This will also help showcase various Go-Green Programmes by the companies.

Nominations for this award are invited in the form of Nomination Form below from the interested companies. **The completed Nomination Forms should reach itsapinfo@gmail.com or info@itsap.org before 28/02/2010.**

The nominations will be reviewed by a Panel of Judges. Top 5 - 6 companies selected, will be invited to **make presentations** to the Panel of Judges and the audience on **12th March, 2010**. The winner(s) will be selected from these and the Award will be presented on **13th March, 2010** as part of ITsAP Annual Awards Day. Based on the number of nominees and parameters such as type of premises (open campuses/office buildings), ownership, contribution to environment and/or impact on the society, multiple Awards in various sub-categories may be presented.

Nominees should send the completed Nomination Form as a softcopy. Nominees may include as much information as they wish to but are not allowed to modify/delete any item in the Form.

Benefit: The dual benefit ITsAP sees thru this new Award is

- To recognize and publicize the efforts by various companies towards Environment Protection thereby motivate other companies to invest in similar initiatives
- Sharing of best practices amongst all the companies that could help increase impact of such initiatives by way of Industry-wide emulation/implementation.

Evaluation criteria for the Award: The Panel will use the following criteria in evaluating the nominations:

1. Impact of the initiatives on the Workplace
2. Evaluation based on Environmental Protection Projects
3. Impact of the initiatives on the Environment
4. Overall impact of the initiatives towards increasing the environmental consciousness

Nomination Form should reach itsapinfo@gmail.com or info@itsap.org on or before: 28th Feb, 2010

Nomination Form

The nomination from companies participating in this process should include sections as given below.

(You may include as much information as needed but do not modify/delete any item in the Form).

Company Profile:

Name of the Organization:

Address:

Nature of Services:

Size of the Company (in Number of current employees):

Type of Office: Campus set up / Office Building:

Contact Person and contact number:

Alternative contact person and contact Number:

List of Top 5 Best Practices under Power conservation (please include the conservation achieved through this practice)

- 1.
- 2.
- 3.
- 4.
- 5.

List of Top 5 Best Practices under Water conservation (please include the conservation achieved through this practice)

- 1.
- 2.
- 3.
- 4.
- 5.
